#### **ABOUT OUR SCHOOL**

For over 80 years, St. Mary's School has provided quality Catholic education for families of St. Mary's Parish and the surrounding community. St. Mary's School is a proud member of the Catholic Independent Schools of the Vancouver Archdiocese (CISVA).

It 1931, construction began on the school, and the doors were opened to students in September that year. In 1979, a second floor was added to the building. Archbishop James Carney blessed the expanded facility on June 22<sup>nd</sup>, 1980, marking a new era for St. Mary's School.

Since then, St Mary's School has continuously evolved to provide the best academic education in an environment of faith and virtue. Recent enhancements include a new score board in the gym, office space, another classroom built on the lower level, a learning assistance centre, a before and after-school club room, fully equipped music room, interactive whiteboards in every classroom and an iPad cart station.

Today the school has a dedicated team of 28 teachers, educational aides and administration staff guided by our esteemed Principal, Ms. Brenda Krivuzoff, whose strong vision has ensured the continued success of the school and its 284 students.

As well, our school has a Parish Education Committee (PEC), made up of a number of committed parents, staff and Fr. Pierre to govern local policies on school matters. In partnership with the staff, the PEC is able to continue the legacy of creating the best environment for our children to learn and grow in all facets of life – faith, academics, arts, language, sports and community service. With the generosity of the families of the Parish community, the PEC is able to achieve these goals through successful fundraising campaigns. On behalf of the members of the PEC, I would like to thank all the families, past and present, who have made St. Mary's school what it is today. Your sacrifice, commitment, and charity have helped create a thriving learning environment for our children. We hope through your continued support, we can continue to address the evolving educational needs of our children and our school.

To make these possibilities a reality we must have FAITH to believe all things are possible through God the Father, Son and Holy Spirit. So that in HOPE we are able to embrace the future with confidence in God. With LOVE we can open our hearts to offer support, acceptance and compassion to all.

This is so that our children can develop respect and build relationships based on trust, honesty and integrity. That they will have gratitude in appreciating and stewarding the many talents and blessings they receive. In the end our children will learn to become great leaders, as they will emulate the active service, generosity and compassion of their mentors.

Let us continue to do greater things for their future and for those of the next generation!

Yours faithfully,

Mrs. Jamie Esmeria-Bantog
Chairperson of Parish Education Committee

Fr. Pierre Leblond, OP *Pastor*

## 2017- 2018 Admission Policy

### ALL CHILDREN MUST BE (RE) REGISTERED EVERY YEAR.

St. Mary's is a Catholic school is committed to the goal of being an inclusive community of learners. Our school implements a program and curriculum enabling it to accept and meet the needs of all students.

All schools must have a process of admitting students. As part of this process, the Pastor/Archbishop's Representative, the Principal and, when practical, a member of Education Committee shall meet with each new family. From the interview and the information available to them, the Pastor, along with a member of the Education Committee and the Principal, will decide if the school can meet the needs of the student and if the family and the student can meet the requirements of the school. In those cases, when it is decided to accept the student, the family shall read and sign the Family Statement of Commitment prior to being accepted into the school. Such families will be accepted according to the established priorities.

For purposes of this policy:

- "Practicing Catholics" shall mean those individuals who are registered in a parish and attend Sunday Mass regularly.
- "Active in Parish" shall mean those who support the parish by using envelopes and participate in the work related activities required of them.

Priorities for admittance into St. Mary's elementary school shall be:

- 1. Children presently enrolled in the school if they and their families meet the expectation of the school.
- 2. Siblings of children already in the school, whose families are practicing Catholics active in the parish.
- 3. Children whose families are practicing Catholics active in the parish.
- 4. Siblings of children already in the school, whose families are practicing Catholics active in other parishes.
- 5. Children whose families are practicing Catholics coming into the parish, who have been attending Catholic school elsewhere.
- 6. Children whose families are practicing Catholics active in other parishes.
- 7. Children whose families are neither practicing Catholics nor active in their parishes.
- 8. Non-Catholics. Once accepted into the school, non-Catholics need to meet only criteria expected of other students to be re-admitted in subsequent years. Sibling of non-Catholics cannot be given priorities over Catholics.

## 2017-2018 Parent Participation Information

Parental co-operation and support is vital at St. Mary's. Involving parents in the school community to engage with their children's learning and to integrate their faith into the parish community is a priority.

Active parent participation is essential and a necessity. There is ample research to suggest that parent involvement positively impacts school and student achievement. Parents will have a range of opportunities to contribute their knowledge, skills and talents to support school goals and to promote fundamental teachings of Catholic Education. There will be flexibility with parent work schedules and parent participation hours. Parents will log into the Participation website to select volunteer opportunities and record hours when the job is completed.

The PEC is offering the following three options for participation in the 2017-2018 school year.

Participation hours will be reviewed based on the 2016-2017 school year.

### 1) Full Participation Role (FPR) - minimum 60 hours (TBC) participation and no fee.

The Full Participation Role includes weekly duties with some exceptions due to the workload such as supervision and traffic control, library support, hot lunch, data entry for hot lunch, coaching, PEC, PREP, Children's Liturgy and Yearbook. To participate in this area of the Full Participation Program, you must have the required skills and be prepared to help an average of 1.5 -2 hours a week during the school year. (Sept. – June). Priorities for these positions will be given on seniority and based on the current grade of your oldest child at St. Mary's, and in some cases based on the needs of the community. A current Criminal Record Check (CRC) is required for most positions.

 1 post-dated cheque dated June 15, 2018 in the amount of \$500 will be provided upon reregistration and cashed in the event that a family does not fulfill their participation.

### Limited Participation Role A (LPR-A) – 30 hours participation (TBC) and \$250 monetary contribution.

The LPR-A option includes parents who provide support to the school in various ways. The Limited Participation Role includes duties such as field trips, fundraising events such as Walkathon, Apple sales, raffle ticket sales, driving students to sports league games, supervising at sporting events, Fun Day, and helping organize community events such as Graduation, Back to School BBQ and First Communion and Confirmation receptions. A current (CRC) is required for most positions.

A contribution of \$250 for the LPR will reduce a families' commitment. Paid for in full a cheque dated September 1, 2017.

- 1 post-dated cheque dated September 1, 2017 in the amount of \$250
- 1 post-dated cheque dated June 15, 2018 in the amount of \$250 will be provided upon reregistration and cashed in the event that a family does not fulfill their participation.

### 3) Limited Participation Role B (LPR -B) – 1 hour and \$500 monetary contribution.

The LPR-B option includes parents to provide 1 hour of support with community events and parish fundraising. A contribution of \$500 will reduce a families' commitment. Paid for in full a cheque dated September 1, 2017.
