December 3, 2025

Dear Parents of St. Mary's,

For several years, our parish and school community have been united in a remarkable endeavor - the rebuilding of St. Mary's School. Our current building has served us well but is now nearing the end of its effective life. To continue providing the best academic education rooted in faith and virtue, we must create a new, larger and more modern school building that meets the needs of today's students and generations to come.

The time to act is now. The parish is diligently finalizing a development plan to kick start this project as soon as possible, allowing us to avoid rapidly rising construction costs.

We have made progress, but we need your immediate support. Our building fund currently stands at \$3.3 million. While we are profoundly thankful for this generosity, we know this project will cost significantly more.

We need every family to join us in this final, critical push.

Your contribution, of any size, will allow us to meet the anticipated start-up costs and break ground. As past generations built and paid for our church, school, rectory, and grounds, it is now our turn to pass on these gifts and build a great legacy for the future of St. Mary's.

Please review the enclosed pledge form and commit your support today.

Kindly fill out the form, sign it, and return it to the school office with your Registration papers.

Yours in Christ,

Fr. Joseph Dsouza, O.P.

Ms. Brenda Krivuzoff, Principal
